Dear *Shri Antony*

At the outset, I would like to congratulate you on the initial opening clearance of the indigenously built Light Combat Aircraft (LCA), Tejas at Bangalore on 10 January, 2011.

It is truly a proud moment for the country. In a nation which has been plagued by scams in the recent past, this positive development provides a ray of hope.

I must inform you that I was very disappointed at not receiving an invitation from HAL as a Bangalore based Member of Parliament, and I think it would be appropriate that Members of Parliament in Bangalore are invited to such ceremonies in the future, by all PSUs to give them an opportunity to also participate and witness PSUs success, such as the opportunity to witness HAL programmes and future Tejas test flights.

Yours Sincerely,

*Rajeev Chandrasekhar*
