DO No MML/Pers/2009  
17<sup>th</sup> September 2010

*Dear Shri Rajeev Chandrasekhar,*

Thank you very much for your DO letter dated 09 September 2010. I must also compliment you for having taken active interest in the issue of One Rank, One Pension.

I have been associated with this issue since the eighties and have been pursuing this issue with the Government in my humble way. I am sure with the combined efforts of all sections of the society the issue will be amicably resolved very soon.

With best wishes

*& regards,*
