

NANDAN NILEKANI
CHAIRMAN

Unique Identification Authority of India (UIDAI)

D.O.No.Chairman/24/2011-UIDAI

3rd March, 2011.

Dear Rajeev,

I am enclosing the Technology Advisory Group for Unique Projects (TAGUP) Report which has been submitted to the Finance Minister on 4th February. The report addresses certain public policy and technology challenges faced by complex IT intensive projects in Government.

Though the Report covers the five Ministry of Finance Projects (Goods and Services Tax (GST), Tax Information Network (TIN), Expenditure Information Network (EIN), National Treasury Management Agency (NTMA), New Pension System (NPS)), the principles enunciated would be applicable to large complex IT-mission critical projects in Government.

With warm regards,

Thank you

Yours sincerely,

Nandan Nilekani

(Nandan Nilekani)

Shri Rajeev Chandrashekhar,
Member of Parliament (Rajya Sabha)
211, North Avenue
New Delhi - 110001

Pl. see the Expenditure Information Network!

book is with chairman as a part of Budget papers.
