Dear Shri Antony,

I am enclosing copies of my letters addressed to Shri B S Yeddyurappa, Hon'ble Chief Minister of Karnataka and Shri V S Achuthanandan, Hon'ble Chief Minister of Kerala.

I would request your support for doing the similar thing in other States of our country as well. It will go a long way in demonstrating civil society and our country's support to the Armed forces and their families.

Very truly yours,

RAJEEV CHANDRASEKHAR

Dear Yeddyurappa

War memorial

You are aware that many sons of Karnataka in the Armed forces have laid down their lives in the service of our country.

The Armed forces, today, continue to represent one of the finest traditions of national service, commitment, patriotism and professionalism to their motherland. It should be our endeavor not only to recognize the sacrifices of these men in uniform but also preserve their memories. We owe it to the families they leave behind as well as to the future generations to whom they will serve as examples and sources of inspiration.

I would request the Government to sanction the creation of a War Memorial in Bengaluru – a simple, dignified memorial dedicated to the past, current and future soldiers from our State who serve and lay down their lives for our country. This would also go a long way in setting an example for the other States to follow suit.

I look forward to your support and approval of this project. I would also be happy to mentor and guide the implementation of the project.

Very truly yours,

RAJEEV CHANDRASEKHAR
