Dear Shri

M. N. J.

Sub: Creating awareness among citizens on Safety and Security

Firstly, please accept my best wishes on taking over Police Commissioner of Bangalore.

As you will agree, there is a need for creating awareness among citizens about various issues confronting the city, the measures taken by the Police to handle them and guiding the citizens to on the steps they need to take to handle different situations.

The ABIDe blue print for Bangalore – PlanBengaluru2020, accepted for implementation by the Chief Minister, has a dedicated section Secure Bengaluru with recommendations to involve citizens, RWAs and other stake holders of the city. I am enclosing copy of the PlanBengaluru2020 Report for your reference.

I had written to your predecessor on 20 July, 2009 urging him to plan an advertisement campaign to create awareness among citizens and listed 13 topics for the same. The topics are:

1. Safety of Women
2. Safety at Homes
3. Festivals Related
4. Passport Related
5. Crime Branch
6. General
7. Traffic Related
8. Safety of Children
9. Anti-Terrorist Measures
10. Licensing Related
11. Senior Citizens Schemes
12. Cyber Crime Related
13. IT Initiatives of Delhi Police

--- 2 ---

--- 2 ---

Delhi Police constantly creates and uses advertisements on above listed topics as Communication Bridge between itself and citizens to build awareness and help growth of the city. Advertisement on each topic is enclosed herewith for your easy reference. Soft copy of the same can be found at <http://delhipolice.nic.in/home/advertisement/advertisement.htm>

I look forward to meeting with you at the earliest to discuss in detail in this regard.

Very truly yours,

RAJEEV CHANDRASEKHAR

Shri Jyothi Prakash Mirji, IPS
Police Commissioner - Bangalore City
Infantry Rd, Vasanth Nagar
